Brief history : It commenced its principal activities as a rebuilt commercial vehicle producer/re-assembler of used commercial vehicles licensed by the Ministry of International Trade and Industry (MITI) since August 2005. Its vehicle production is being carried out at its rented factory in Kota Kinabalu Industrial Park, which is located some 25 kilometres north of Kota Kinabalu, Sabah. The factory is equipped with a list of equipment as specified by JPJ Teknik specifically for the rebuilding of trucks and machineries.	
Its premise, which is rented from the Malaysian Industrial Estate Ltd (MIEL), is a JPJ-approved "Engineering Workshop" that can produce 15-20 units of vehicles per month at the minimum and 45-60 vehicles per month at the most, depending on the stock available and the market demand prospects as projected by the management. The company employs about 20-25 full-time workers every month, mostly technicians and mechanics.
