Its primary activity is in the reconditioning and reassembly of all range of rebuild commercial vehicles for domestic and selected export markets. In 2003, Mofaz Group decided to invest in a state of the art factory warehouse costing RM10 million, which is located at West Port, Port Klang. In order to ensure high standards of assembly operations, we have acquired the latest equipment which conforms to the original specifications of the vehicles and the Road Transport Department's compliance level which sets high standards of engineering competency.</p> <p>From being relatively a young company, the company has developed into a major player in the industry. The factory is supported by modern equipment and it is able to produce approximately 70-80 units a month. The company offers dump trucks, refrigerated / box trucks, tankers, concrete mixers, prime movers, car carrier / self loader, aerial platform, cargo trucks, cranes and custom built trucks.</p><p>Gallery:</p> <p style="text-align: center;"></p> <p style="text-align: center;"></p></p>
